Reliable

Versatile passenger seating.

cogent

The innovative design of our Schoolbus Seats employ state of the art materials and technology for comfort, strength and durability and is available in four distinctive options to suit a variety of vehicles and budgets.

All come as singles, doubles and trebles with 3 point seatbelts. All seats are designed with slender profile squabs enabling them to meet COIF, SVA and European Whole Type Approval (Type IIIs) pitch dimensions.

## The Schoolbus Seat **Solo Option** Superlite individual seats

- Available as single, double and treble
- Choice of fabric backs
- Ultra-slim design aiding more leg room
- Ultra-light benefitting gross vehicle weights
- Anthropometrically designed to aid comfort
- External seatbelt

## The Schoolbus Seat **Mk 1 Highback**

- Integral head restraint
- Anti-vandal ABS backs
- Clipper for aisle width

## The Schoolbus Seat **Mk 2 Semi-Highback**

- Anti-vandal ABS backs
- Option of grab handle / open head restraint
- Simple disassembly for maintenance
- Symmetrical squab for flexible placement

Cogent also provide a schoolbus vehicle conversion facility which meets all current and forthcoming regulations.
